When you apply for the policy, we will confirm with you things such as the period of cover, your premium, what cover options and Excess will apply, and whether any standard terms are to be varied (this may be by way of a written notice we give you). These details will be recorded on the Certificate of Insurance issued to you.

This Policy Wording sets out the cover we are able to provide you with. You need to decide if the benefit limits, type and level of cover are appropriate for you and will cover your potential loss.

If you have any queries, want further information about the policy or want to confirm a transaction, please use the contact details on the back cover of this Policy Wording.

YOUR DUTY OF DISCLOSURE

When you apply for insurance or alter this policy, you have a duty at law, to disclose to us all material facts. You must disclose all material facts to us as soon as you become aware of them. A material fact is one that may influence a prudent insurer in deciding whether or not to accept the cover and, if so, on what terms and conditions and for what premium.

Examples of information you may need to disclose include:

- anything that increases the risk of an insurance claim;
- any criminal conviction subject to the Criminal Records (Clean Slate) Act 2004;
- if another insurer has cancelled or refused to insure or renew insurance, has imposed special terms, or refused any claim;
- any insurance claim or loss made or suffered in the past.

These examples are a guide only. If there is any doubt as to whether a particular piece of information needs to be disclosed, this should be referred to us.

Non-Disclosure

If you fail to comply with your duty of disclosure, we are entitled to avoid this policy retrospectively from the beginning. You will not be insured under this policy at all.

ABOUT YOUR PREMIUM

You will be told the premium payable for the policy when you apply. It is based on a number of factors such as your destination(s), length of Journey, number of persons covered, your age, Pre-existing Medical Conditions, the plan and any additional options selected. The higher the risk, the higher the premium is.

Your premium also includes amounts that take into account our obligation to pay any relevant compulsory government charges, taxes or levies (e.g. GST) in relation to your policy. These amounts are included on your Certificate of Insurance as part of the total premium.

COOLING-OFF PERIOD

Even after you have purchased your policy, you have cooling-off rights (see **“Important Matters”** page 19 for details).

GEOGRAPHICAL REGIONS

Destinations	Geographical Region
North, Central and South America (including Hawaii and the Caribbean), Japan, Africa, Middle East, Antarctica and any other destination not listed below	Region 1 - Worldwide
Europe, Russia and United Kingdom	Region 2 - Europe

Asia (excluding Russia, Japan & Bali)	Region 3 - Asia

Region 4 - Pacific
New Zealand	Region 5 - Domestic

Plan A

You must nominate the applicable geographical region for your Journey. Please contact us if there is any uncertainty as to which geographical region applies.

If you are travelling to multiple destinations which are in different geographical regions, you must select the highest geographical region (Region 1 being the highest geographical region, Region 5 the lowest), as this will cover travel in each of the lower geographical regions.

Example:

If you are travelling to Australia, South Korea and Europe, you must select Region 2. You will then have cover for all destinations in Regions 2 to 5.

Cover for any loss you suffer must occur in the geographical region (or any lower geographical region) you have selected. However, stopovers of 2 nights per policy in a higher geographical region outside of your selected geographical region are permitted.

Example:

If you are travelling to Australia (and have accordingly selected Region 4 as the geographical region), you will have cover for all destinations listed in Region 4, as well as up to 2 nights stopover in any destination in Regions 1, 2 & 3.

Plan C

Geographical region defaults to Region 1 - Worldwide, regardless of the destinations you are travelling to.

While travelling in New Zealand, you will only have cover under Sections 3, 4, 5, 8, 9, 10, 14, 16, 17, 19, 22 to 27.

We will not pay if your claim Arises out of you travelling in a helicopter, or embarking or disembarking a helicopter. You must also check the exclusions that apply to the section under which your claim is made for other reasons why we will not pay.

PERIOD OF COVER

You are not covered until we issue a Certificate of Insurance. That Certificate forms part of your policy. The period you are insured for is set out on the Certificate.

- Cover for cancellation fees and lost deposits (Section 16) begins from the time the policy is issued.
- Cover for all other sections begins on the date of departure (Start Date) as stated on the Certificate of Insurance.
- Cover ends when you return to your Home or on the date of return set out on your Certificate of Insurance (End Date), whichever happens first.

The maximum period of cover for any one Journey under Plan C Multi Trip cannot exceed 21 days.

COOLING-OFF PERIOD

If you decide that you do not want this policy, you may cancel it within 14 days after you are issued your Certificate of Insurance and Policy Wording. You will be given a full refund of the premium you paid, provided you have not started your Journey and you do not want to make a claim or to exercise any other right under the policy.

After this period you can still cancel your policy but we will not refund any part of your premium if you do.

You may extend your cover free of charge if you find that your return to New Zealand has been delayed because of one or more of the following:

- a bus line, airline, shipping line or rail authority you are travelling on, or that has accepted your fare or Luggage and Personal Effects, is delayed; or
- The delay is due to a reason for which you can claim under your policy (subject to our written approval).

All other requests to extend cover must be received by 1Cover prior to your original policy expiry date. If required, Allianz Global Assistance may ask you to provide us with translations into English of such documents to enable them to carry out their assessment of your claim.

CLAIMS ARE PAYABLE IN NEW ZEALAND DOLLARS TO YOU

We will pay all claims in New Zealand dollars. We will pay you unless you tell us to pay someone else. The rate of currency exchange that will apply is the rate at the time you incurred the expense.

YOU MUST NOT ADMIT FAULT OR LIABILITY

In relation to any claim under this policy you must not admit that you are at fault, and you must not offer or promise to pay any money, or become involved in litigation, without the approval of Allianz Global Assistance.

DEPRECIATION

Depreciation will be applied to claims for Luggage and Personal Effects at such rates as reasonably determined by Allianz Global Assistance.

YOU MUST HELP US TO RECOVER ANY MONEY WE HAVE PAID

If we have a claim against someone in relation to the money we have to pay or have paid under this policy, you must do everything you can to help us do that in legal proceedings. If you are aware of any third party that you or we may recover money from, you must inform Allianz Global Assistance of such third party.

IF YOU CAN CLAIM FROM ANYONE ELSE, WE WILL ONLY MAKE UP THE DIFFERENCE

If you can make a claim against someone in relation to a loss or expense covered under this policy and you do not get paid the full amount of your claim, we will make up the difference. You must claim from them first.

OTHER INSURANCE

If any loss, damage or liability covered under this policy is covered by another insurance policy, you must give us details. We will only make any payment under this policy once the other insurance policy is exhausted.

If we have paid your claim in full first, we may seek contribution from your other insurer. You must give us any information we reasonably ask for to help us make a claim from your other insurer.

SUBROGATION

Allianz Global Assistance may, at their discretion, undertake in your name and on your behalf, control and settlement of proceedings for our own benefit, to recover compensation or secure indemnity from any party in respect of anything covered by this policy.

You are to assist and permit to be done, all acts and things as required by Allianz Global Assistance for the purpose of recovering compensation or securing indemnity from other parties to which we may become entitled or subrogated, upon us paying your claim under this policy regardless of whether we have yet paid your claim and whether or not the amount we pay you is less than full compensation for your loss. These rights exist regardless of whether your claim is paid under a non-indemnity or an indemnity clause of this policy.

RECOVERY

Allianz Global Assistance will apply any money they recover from someone else under a right of subrogation in the following order:

1. to Allianz Global Assistance, their administration and legal costs arising from the recovery
2. to us, an amount equal to the amount that we paid to you under the policy

Once we pay your total loss we will keep all money left over. If we have paid your total loss and you receive a payment from someone else for that loss or damage, you must pay us the amount of that payment up to the amount of the claim we paid you.

If we pay you for lost or damaged property and you later recover the property or it is replaced by a third party, you must pay us the amount of the claim we paid you.

FRAUD

Insurance fraud places additional costs on honest policyholders. Fraudulent claims force insurance premiums to rise. We encourage the community to assist in the prevention of insurance fraud.

You can help by reporting insurance fraud by calling Allianz Global Assistance on +61 7 3305 8871. All information will be treated as confidential and protected to the full extent under law.

Health Tips

The internet is a great source of health information for travellers. For vaccination and health advice including information on disease outbreaks: www.cdc.gov or www.who.int or www.safetravel.govt.nz

BEFORE TRAVEL, CONSULT YOUR HEALTH PROFESSIONAL TO DISCUSS:

- Itinerary • Duration of travel • Style of travel • Past medical history
- Pregnancy • Allergies • Pre-existing Conditions
- Vaccination requirements • Disease prevention
- Medication (ensure that any medications taken with you are legal in the country you will visit – make sure you carry a letter of approval from your doctor/dentist for any essential medication you need to take with you).

TIPS FOR LONG DISTANCE TRAVELLERS

- While travelling, regularly exercise the lower limbs to encourage blood flow.
- Drink plenty of non-alcoholic drinks to prevent dehydration.

OTHER USEFUL TIPS

- Carry a small first-aid kit with you containing a packet of adhesive dressings, some insect repellent, antiseptic cream and water sterilisation tablets (this takes up little space and could be useful). Emergency medical travel kits are available.
- Unless you know the water you are using is safe (bottled water usually is), sterilise all drinking water either by boiling or using sterilisation tablets.
- It is unwise to have your skin pierced (ie. acupuncture, tattooing, ear piercing, etc.) unless you can be sure that the equipment used is sterile – a needle wiped with an alcohol swab is not necessarily sterile. Keep a note on your person advising of any significant medical condition affecting you (eg. diabetes, angina pectoris, haemophilia).

THE THREE R'S OF TRAVEL VACCINATION

Routine vaccinations (childhood or adult vaccinations)

- Tetanus/diphtheria • Polio • MMR • Influenza
- Pneumococcal • Varicella.

Required vaccinations

When crossing international borders certain vaccinations are required.

- Yellow Fever • Cholera • Meningococcal.

Recommended vaccinations

There are some vaccinations recommended when travelling overseas specific to your destination.

These may include:

- Hepatitis A • Hepatitis B • Typhoid • Japanese Encephalitis
- Poliomyelitis • Rabies • Cholera.

Please see your doctor to identify your specific needs.
